DETAILED ACTION

1. On 22 July 2005, the Office received the attached facsimile transmission from the Yamada Patent Office. It appears that this missive was intended for the attorney of record in the case and was transmitted to the wrong destination. It was, however, entered into the record as an after final amendment.

2. Clearly, the facsimile is not an amendment, but in order to satisfy the Office's administrative requirements, Examiner must issue a Notice of Nonresponsive Amendment.
